I send this in case my last night's letter should have miscarried, as time is too short for interchange of further letters.

Messrs S.H. & H. Chapman

Gentlemen;-

Your invoice & coins recd yesterday & the coins today. I write you at once as I think you have made some mistakes.

The first lot in your invoice stumped me is

3.00 — Lot No 406 - at 3.00 — I thought of making a bid on it on age of the bouquet resembling our Canadians. But it is not Canadian & I think I finally concluded not to bid on it & certainly would not have bid 3.00 even on a fine one. Kindly look up my bid sheet & see if you are not mistaken. I have no bid at all marked in my cat. opposite this no.

1.26 — Lot. No 482 - at 1.26 — I find that none of these three are Canadian - though they are of same design - 1838 is the Canadian date. If my bid was 42¢ or over, I will keep them; otherwise I do not want them.

.50 — Lot No 542 - at 50¢ - I feel positive I did not bid 50¢ on this as I already have a proof one which I got for 50¢. If my letter authorizes this bid, will keep it, otherwise dont want it.

2.45 — Lot No. 1310 - at 2.45 — This lot I made no bid on. It was not so marked in my cat. I doubt it being Canadian & you have the name "Mann" on envelope which may mean the real buyer. I'm sure you're mistaken on this.

7.51
Com 10% = .75
8.26

Lot. 5-30 — at 16.25 is the Bridge token. I bid this & am satisfied what I did other one sell for. I made a bid on it.

Lot. 5-32 - at 6.00 - That was my bid & I will settle for it.

Scott Stamp & Coin Co used to send me back my Bid Sheet (If you got both mine the first was most complete) with prices brought by lots which did not fall to me. If not too much trouble would you kindly do this. I expected to have got the 1D side view at 30¢. Kindly send corrected invoice & I will remit. By today's mail I return coins which I do not think I bought. Acknowledge their receipt oblige

Yours truly

Gentlemen;-

Your letter recd & like you I am as astonished as I was when I received your first letter & the coins. You state in your last letter ~~that~~ you enclose my bid sheet, but you did not do so. Probably you intended to & it was overlooked. When buying coins from the Scott Stamp & Coin Co. they always returned me my bid sheet with a statement of the prices at which all coins I had bid on were sold. I regret we are so far apart in our views after getting along pleasantly for some years. After bidding at auction sales for ~~10~~ nine years, I hear now from you for the first time, ~~that~~ no bid or a dash means an unlimited bid. How news

to me. When I first got your Cat. I think I looked it over & jotted down 100. of some lots on which I might conclude to bid. The J. Gault encased
Lot 1310 stamp is a sample. Thinking I had seen it catalogued somewhere as Canadian the number was put down but no bid. On looking it up, I found it was not Canadian & abandoned any idea of bidding on it & probably put down a dash opposite it. I would it give 16¢ for it,
Lot 406 The Bouquet of Steer was abandoned because it was not Canadian. The Bridge Token at 16.25 & Mayenholder & Bohle at 8.00 I recognize at once as my bids & I believe they are the only lots my
16.25 8.00 24.25 243 26.68 bids secured. With commission I believe they come to Twenty six and 68/100 Dollars which amount I enclose you & you will kindly acknowledge

May 20/1901

I have again looked over your letter and thank you for your list of prices brought by lots whose numbers I bid on but did not get. Regret I lost Side View, 10 when I came within 100 of it. The 1/2 side view brought a high price I seem to me, but the most noteworthy feature of the sale of the Canadian Coins was the sale of the Proof of Wheat for 30.00 a very much higher figure than usual - Proof Jokers also went much higher than usual. At Hart's last sale, best ones sold for 1200 & 1300.

I trust I have made it clear to you that I had no idea, that any one would consider I had bid on Lots 406. 482. 542 & 1310.

Lot 406 was out of my line as I am only buying Canadians

Lot 482. I concluded were not Canadian

Lot 542. I have a proof of - bought for 50¢.

Lot 1310. I had no idea of its value - never knew what one sold for & did not want it as it was not Canadian. I do not think any judge would consider I had bid on any of these lots. I am prepared to accept your explanation that you thought I had, but it was a misunderstanding. I am now enclosing you cash for lots 430 at ——— 16.25

" 532 " 8.00

24.25

10% com. on these 2.43

Postage (I am sure you have paid this out) .13

26.81

As regards other 4 lots, I did not bid on them & returned them at once. Send receipt for money I now enclose. Probably you have Charged me up with amount of my bid on 1st view @ 34.07. After, as a compromise, I move that you write me with sale prices of the 4 lots returned, & will pay the balance due. I would deem it that kind of an application from you for the use of your services as I am sure you will be fully satisfied with the result of your labors.

There is also an old invoice of April 1899 amounting to $3.04 - concerning which you wrote & about which I believe there is some uncertainty as to payment on the part of both Agts. This marked ~~paid~~ "2o cash 3 04" in my ledger but no date - it may be I expected to pay it at certain day & did not do so.

In making out my duplicate bid sheet, I did it from memory without the Catalogue & have no doubt it shows no mention of any bid on lots 406. 482. 542 & 1310 as my attention was fixed the Bridge Tokens the Side ones. French Jetons, Maryon Wilson & Bohle & McDermott token especially

Yours truly

R. M. Bateman Jr.

P. S - Am satisfied now that there are counterfeits of the Cheval & Personne Bridge Tokens at least.

May give you them along with others to sell later on. Are you able to inform me whether the dies for that token are still in existence or not. I have recently been offered one in copper. very fine - a condition I never heard of before for this token & they seem to be getting more common. Gentlemen:

No doubt you have a Catalogue of Lowis sale 300 lots of Balmanno collection, though you did not send me a Catalogue. I wish to bid on 30 or 40 lots & would like your opinion as to their value & the price they will probably bring.

The lots are as follows

Lot 339 - I see by my notes one sold in Boucher collection date 1740 - good - Ef. rare at 1.00.

another 1740 in a lot with 1741 merque sold for 40 each

" Lowis Feb 02 Lot 35 vg. I bought this one. cost me about 4.00

The price seems much overestimated as to rarity by Breton, though it is certainly rare or V. rare. State what you think this piece will bring unc with lot

Lot 340 - What will it probably bring. Same this piece below No. 2

" 341 - " " " "

" 342 - " " " " Have one. would need to know LeRoux No. before I care to bid as I don't want duplicate

What Franco-american pieces have you in stock. Do you know of B 5-44 original piece or better for sale & price or have you B 10 12-8 shings copper for sale?

Time is short. Let me hear from you promptly before I send you my bids

Gentlemen;- I received your letter with enclosure of $5.00 q. mc. I will keep it and enclose Five Dollars in settlement. Kindly send receipt for money. I was much disappointed to learn you did not receive my bids in time for Lowe sale. I sent them two or three days before the sale & a letter should go to Philadelphia about 24 to 30 hrs. If received in time bids could have been telephoned on. The fact that the pieces I bid on went for far less than my bids makes it all the more aggravating. Who bought the Franco-American Jetons at that sale?

Should you know of B54 & or B672.673 675.677.681.690.703 or 712 also B1008.999.1000.1001 1012 (8 strings) Kindly advise me of condition & price.

Yours truly
L. M. Bateman

Dear Sirs:-

Your card recd. For the present place the $2.00 I sent you to the credit of my a/c with your firm I do not think 544 worth a cent over 20.00 I even think that an extreme price, but I might pay that for a V.f. specimen, rather than lose. That would bring your price for 673 down to 105.00 which still seems extravagant. B672 is rarer than 673 yet it was sold for 62.00 & B712 which is rated R8 (as is 673) sold at Stark sale for 30.00. In fact I know of no authentic case of a sou bringing over 62.00 though I have been told Bretton once paid a fancy price for 689. 672 is certainly preferable to 672 & some tell me 672 & 703 are the rarest of the set. It looks as if 50.00 were a good price for your sou. I will look up its value more thoroughly at once. What facts make you consider it worth $105. Its a sou I intend to buy some day, but I only want to pay its real value. I have a friend or two who buy coins especially sous & if I did not want to buy it myself might sell to them, if they thought it offered at a reasonable figure But they have same books as I will probably reason as to values in same way. Send on your price list of Canadian pieces you have

Yours. R. McBateman MD
